So you want to complete the requirements for your first promotion. What do you need to do? At any given time you can look up your next promotion requirement at [Stripes to Diamonds](#) or more specifically for this promotion

[what you need to promote to C/Amn](#)

. Nevertheless, this page will walk you through your first promotion requirements.

For your first promotion you will need to:

1. **Be a member on eservices** . If you have not created an account google eServices and follow the instructions under "first time users."

2. **Have a uniform and know how to wear it** - You can get either your blues or ABUs but I recommend the ABUs.

3. **Pass the Learn to Lead Test** ( [This link leads to the chapter](#) [you need to study](#) ) . To take the test. Login to eservices, on the very right, click on Cadet Online Testing, the test will be under the leadership tab .

4. **Take the "Introduction to safety" course.** To do so, log into eServices-->Online Learning-->Learning Management System--> (down to the very bottom) Online Safety Education-->(at the very top) Introduction to CAP Safety.

5. **Attempt the PT test.** You do not have to pass the standrds at this time just establish a base line.

6. **Take the drill test** - You can look at what your drill test will cover in [this manual](#) .

You will be tested on Achievement one.

You

will
